

ON DISPLAY

The Book of James

SERIES OVERVIEW

In the book of James, we are given 9 examples of faith on display. James tells us in chapter 2:14-26, that having faith in Jesus (trusting and following Him) also means that all the things we do our “works” are also devoted to Him. If we are believers in Jesus and say that we have faith in him then we should also have a life that looks like Jesus’ life. God wants our lives to be on display so others can see Jesus in the way we live!
